EXPERIENCE

Senior Sales Consultant

Emeryville, CA

Airport Home Appliance/ Nov 2019 to Current

- Managed account portfolio with \$600,000 in sales, maintaining consistent client interaction and resolving issues to drive continued success.
- Employed extensive product knowledge to cultivate existing customer relationships and developed rapport with new ones.
- Worked hard daily to promote exemplary level of tailored service to each customer, whether through email, by phone or in person.
- Developed large base of repeat clientele through various methods, including quick return phone calls and truthful responses to questions.
- Identified and explained the major features, functions and benefits for products that customers were interested in.
- Coached personnel on follow-up processes, sales and consultative sales approaches.
- Suggested solutions for customer projects that exceeded expectations and boosted business.

Sales Manager

Hayward, CA

Airport Home Appliance/ Mar 2015 to Nov 2019

- Tracked monthly sales to generate reports for business development planning.
- Boosted revenue and facilitated sales activity while developing consistent employee measurements for exceeding goals.
- Reduced process gaps by hiring, supervising and coaching employees on sales strategies and protocols, optimizing performance, growth and profitability.
- Created and finalized quotes to complete deals with vendors and customers.
- Boosted profit margins by effectively managing expenses, budget and overhead, increasing closings and optimizing product turns.
- Cultivated strong professional relationships with suppliers and key clients to drive long-term business development.
- Supported sales team members to drive growth and development.
- Spearheaded sales meetings with staff, division president, closing coordinator and construction manager to share best practices for process improvements.
- Supervised and trained 20 employees on successful selling techniques.
- Evaluated employee progress and compliance while identifying areas for additional coaching by monitoring daily performance.
- Established sales goals and strategies that contributed to increased growth in sales and profitability.

Sales Associate

Pleasanton, CA

Sears/ Jul 2007 to Mar 2015

- Helped customers find specific products, answered questions and offered product advice.
- Built trusting relationships with customers by making personal connections.
- Operated cash register, collected payments and provided accurate change.
- Arranged new merchandise with signage and appealing displays to encourage customer sales and move overstock items.
- Obtained signatures for financial documents and internal and external invoices.
- Maintained knowledge of current promotions, exchange guidelines, payment policies and security practices.
- Retained product, service and company policy knowledge to serve as resource for both coworkers and customers.
- Answered incoming telephone calls to provide store, products and services information.
- Assisted teammates with sales-processing tasks to meet daily sales goals.
- Sold various products by explaining unique features and educating customers on proper application or usage.
- Built and maintained relationships with peers and upper management to drive team success.
- Used excellent verbal skills to engage customers in conversation and effectively determine needs and requirements.

- Listened to customer needs to identify and recommend best products and services.
- Met and consistently exceeded revenue targets with proactive, customer-specific suggestions of accessories and related items.
